

The Ousley to Aquilla Garrett Line

Author: John E. Garrett, Jr.

Prepared: April, 2009

Like most of the Garrett lines, this one stems from **Lord John Garrett**. But unlike others this line comes from Lord John's first wife, **Ann Dunston** the mother of **John Garrett II** as shown on the chart below.

The 1st Generation

The Family of John Garrett, II (1631-1706)

John GARRETT II was born January 10, 1631 in Hosse, Leicestershire, England. He was about 32 years old when he immigrated to Virginia (probably to claim the land that his father had obtained when he was there with John Dunston about 30 years earlier).

He married **Nannie Harrison** in about 1660 when he was about 29 years old. She was born 1635 in England and died 1663 in England. They had two children (I believe):

- i. **William GARRETT** was born February 12, 1661 in Derby, Leicestershire, England.
- ii. **Mary Garrett** was born 1662.

He married 2nd (2) **Elizabeth Ware** in 1664, probably in England. She was born February 13, 1635 in Dublin, Ireland.

Children of **John GARRETT II** and (2) **Elizabeth Ware**:

- i. **Thomas Garrett** was born 1674 in New Kent Co., VA and died April 2, 1734 in Cowan Co., NC.
- ii. **John Ware Garrett III** was born 1675 in New Kent, VA and died 1728 in Stafford, New Kent Co., VA.
- iii. **Nicholas Ware Garrett** was born 1676 probably in VA. He apparently never married. He may have died young.
- iv. **Elizabeth Garrett** was born 1678 in King and Queen Co., VA and died in about 1750 in King & Queen Co., VA.
- v. **Robert Garrett** was born 1680 in New Kent Co., VA and died 1743 in King & Queen Co., VA.

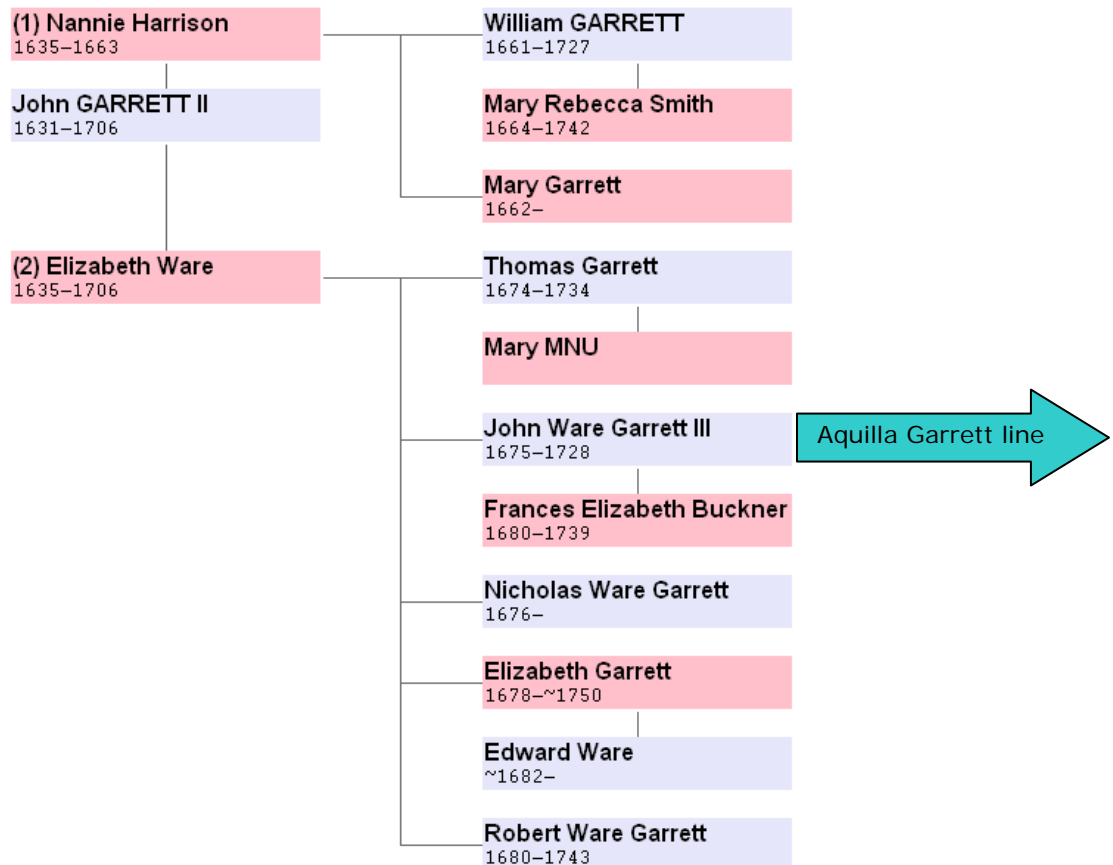

John GARRETT, II was acquainted with the Ware's while he lived in England.

Elizabeth Ware's father, **Peter Ware** and at least a part of his family probably immigrated first in the Plymouth Colony, but due to religious disagreement moved by 1646 to the Hampton Parish in Virginia. We find **Peter Ware** in Ireland in 1636 selling his property before coming to America by way of England. Some records have all of **Peter Ware's** children immigrating with him in 1646 -- if so **Elizabeth Ware** would have been 12 years old. Other records report that **Elizabeth Ware** "wanted to join her father and brother in Virginia" thus suggesting that she did not

immigrate in 1646 but stayed in England until she came over with **John GARRETT II** in 1664.

The map above, is for the state of Virginia. The red star is in New Kent Co., where the Garretts settled, where both John Garrett and wife, Elizabeth died.

Edward and Ann Owsley ended up in Laurens South Carolina where they apparently had a cotton plantation and numerous slaves. According to records in Laurens, Edward fathered numerous children with his slaves in addition to having 18 children with his wife. She (Ann) was only 14 when she married Edward, gave birth to the first child at 15 and in 27 years she had all 18.

In 1776, Edward Garrett moved his family to the ninety-sixth District of South Carolina, the area in which they settled became Laurens County in 1785. There, in 1767, he received a grant of land and in 1770, a second grant located on Warrior Creek. Although Edward Garrett did not serve in the Military during the Revolutionary War, he provided patriotic service in contributing supplies to the army in South Carolina. Edward and Ann Garrett were members of the Upper Durbins Creek Baptist Church. With the establishment of the Warrior Creek Baptist Church in 1806, Ann Garrett and her children, by a deed dated 24 Oct. 1806, contributed the one acre of land on which the meeting house stood. The day before his death, Edward Garrett made known his wishes relating to the disposition of his estate. This verbal will was filed in Lauren's County on 27 August 1794.
